Dear Marvin:

I wanted to take a moment to congratulate you as the recipient of the University of Advanced Technology's Honorary Doctorate degree. This is a significant and most well deserved occasion, and it is nice to see your tireless efforts and numerous contributions to the advancement of higher education in Arizona be recognized so honorably. We at ASU have been fortunate to witness firsthand the tremendous impact you have made in higher education through your involvement in the Extended Education Dean's Council, the ASU Downtown Campus Advisory Board as well many other areas, and we appreciate your valuable expertise and knowledgeable input as we continue to evolve into the New American University.

Again, congratulations on this noteworthy honor and thank you for your steadfast commitment to higher education, as well as ASU. Best wishes to you and I hope we have the chance to talk soon.

Sincerely,
